

happy. safe. ready.

Placement information

Trainee Psychologist

we believe children
and young adults
should be **happy**,

they should be
safe...

and we think they
should be **ready**.

Placement information

HSR Psychology is part of the Tx Group: a growing private therapy company, providing a variety of health and education therapy services in the North West of England.

HSR Psychology is a not-for-profit social enterprise which is independently owned and controlled and is committed to creating a positive social impact in the North West of England. HSR provides clinical, counselling and educational psychology services to individuals and education settings. We work with children and young people between the ages of 0-25 with various special educational needs and/or disabilities (SEND), with the aim to maximise wellbeing and potential by providing immediate access to a broad range of psychology services. HSR believes all children and young people should have their needs met at home, school and in the community so they can be happy, safe and ready to cope with life's challenges.

Here at HSR Psychology we promote and support development and this includes providing placement opportunities for trainee psychologists. We can provide placements for:

- Trainee educational psychologists
- Trainee clinical psychologists
- Trainee counselling psychologists

Any placements we provide would form part of a trainee psychologist's university course and would count towards their accredited hours.

Placement information

We can provide placements working with children and young people across the 0 to 25 age range.

Trainees on the following courses can take their placement at HSR Psychology:

- DEdChPsy - Doctorate in educational and child psychology at the University of Manchester
- ClinPsyD - Doctorate in clinical psychology at the University of Manchester
- University of Leeds, Lancaster University and the University of Liverpool
- PD Counselling Psychology at the University of Manchester

If you are doing the same qualification at a different university then please contact us to see if we can accommodate your needs.

During a placement with HSR Psychology you will:

- Receive regular supervision from an appropriate psychologist
- Work with the full 0 to 25 age range
- Complete accredited hours
- Learn and practice clinical skills
- Increase your core knowledge of the subject
- Apply psychology to your everyday work
- Complete a mixture of assessments and therapeutic interventions

We provide each child and young person with the skills they need to maximise their potential.

happy. safe. ready.
