# School Counsellor

## Job info

HSR Psychology is part of the Tx Group: a growing private therapy organisation, providing a variety of health and education therapy services in the North West of England.

HSR Psychology is a not-for-profit social enterprise based in Greater Manchester. HSR provides Clinical Psychology services to individuals and educational establishments. We work with children and young people to maximise wellbeing and potential by providing immediate access to a broad range of psychology services. HSR believes all children and young people should have their needs met at home and in the community so they can be happy, safe and ready to cope with life's challenges.

We have exciting opportunities for School Counsellors to join the team, working with schools and individuals in the North West of England. The roles will involve working in a school setting, helping children and young people to utilise a range of positive mental health strategies to maximise their emotional wellbeing and build resilience. The roles will include 1:1 and group therapy sessions, completion of assessments and the delivery of early / preventative intervention techniques. Responsibilities also entail providing support, guidance, training and advice to parents, carers and schools. The successful applicant will be supervised in their role by senior members of our psychology team.

## **We're a mindful employer:**

**We are a signatory to the 'Charter for Employers who are Positive About Mental Health'. As such we are committed to working towards the following principles:**

- Increasing awareness of mental health**
- Good practices not 'great promises'**
- Safe people and friendly places**
- Commitment to change**
